

15<sup>th</sup> May 2025

### **Explorer Dome Year 2 – Wednesday 11<sup>th</sup> June 2025**

Dear Parents/ Carers,

As part of our science states of being, Year 2 have been learning all about 'The Human Body'. We have arranged for the children to take part in an interactive show in which they will have the opportunity to find out more about this exciting and important topic. Children will join in on a hands-on journey to discover food groups and teeth, then head down towards the oesophagus to take a look at the form and function of your digestive system.

The Explorer Dome will be brought **into school** on **Wednesday 11<sup>th</sup> June 2025**.

We know that this will be an engaging and inspiring experience for all involved. To cover costs, we would ask for a contribution of **£5.50 per child**. Please make sure payment is made via Scopay by **Wednesday 28<sup>th</sup> May 2025**.

More information about the show can be found on the website: [www.explorerdome.co.uk](http://www.explorerdome.co.uk).

Please do not hesitate to contact me if you have any questions.

Yours faithfully,

Year 2 Team
