## Explorer Dome Year 5 – Wednesday 20<sup>th</sup> May 2026

Dear Parents/ Carers,

As part of our science state of being, Year 5 will be learnt about ‘Space’. We have arranged for the children to take part in an interactive show in which they will have the opportunity to find out more about this exciting and important topic. Children will join in on a hands-on journey to discover planets, star constellations and more things in our solar system.

The Explorer Dome will be **visiting our school** on **Wednesday 20<sup>th</sup> May 2026**.

We know that this will be an engaging and inspiring experience for all involved. To cover costs, we would ask for a contribution of **£6 per child**. Please make sure payment is made via MCAS by **Wednesday 29<sup>th</sup> April 2026**.

More information about the show can be found on the website: [www.explorerdome.co.uk](http://www.explorerdome.co.uk).

Please do not hesitate to contact us if you have any questions.

Yours faithfully,

The Year 5 Team
