New school year message from Mr Hallam

Dear Parents & Carers,

A warm welcome back to school to all our children and parents! The children have returned in great spirits and have settled well this week.

Thank you for the efforts you have made in getting your child in the correct uniform. They look great! One or two of our children have shoes with coloured flashes on them and we would appreciate it if this could be put right for next week. All-black shoes or trainers only please.

As you will have seen the front playground is now complete ready for Early Years next week. What a treat they have in store! We are particularly please with our new treehouse.

The back playground works were affected by bad weather, but even so there is about a third completed and the older children are really enjoying the new sandpit and green mounds. The work continues and the whole playground should be finished by Term 2.

We want the children to make the most of play and on the back of this letter is our new play policy which we are introducing this term. As you will see it talks about play involving calculated risks which can really help with child development. If you have any questions or concerns about this please do get in touch.

The school is now more popular than it has ever been with record numbers starting in Reception and a large number joining us in other years.

A big welcome to all our new pupils! I look forward to meeting as many families as I can both new and old as the year goes on.

Yours faithfully,

Mr P. Hallam
Principal

Principal: Peter Hallam
