

Dear Parent/Carer,

### **Year 3/4 - Learning outside of the classroom 2026-27**

We believe that children benefit from enriching their learning beyond the classroom. This includes free trips and paid for trips. We recognise that with the cost of living we want to make sure that all trips are good value for money and that families have plenty of time to plan for and pay towards these enrichment opportunities.

Below are details of the trips that will take place during this school year and the approximate cost of each trip. Once each trip has been booked, we will write to you again with further details and you will be able to begin to pay.

Year 3/4 will take part in the following enrichment opportunities throughout the school year:

- **Local walks** around Hillfields, to Hillfields park and to Hillfields library. These local walks will take place regularly throughout the year. These trips are free.
- **Theatre visit to Bristol Old Vic** (Term 2). This trip will cost approximately £20 for tickets and coach transportation.
- **We the curious** (Term 3). This trip has been fully funded by We the curious and will cover a guided tour, a workshop and the coach transport to and from the suspension bridge.
- **Year 3 only - Earth Song music performance trip** (Term 3 -> February). This trip is free but there will be a cost for transport to and from the venue. This will be approximately £9.
- **Year 4 only - Swimming lessons** (Term 1 and 2). Please see separate communication regarding dates and costs.

When paying for a trip via MCAS you will be able to tick a box to give permission so no paper slips will need to be returned to school.

Any specific details for individual trips e.g. alterations to school day timings, lunches or school uniform will be emailed in advance.

As always, parental support is always greatly appreciated. If you are able to help us on any of these trips, please email us at [info@mpa.clf.uk](mailto:info@mpa.clf.uk) or speak to your child's class teacher once specific details have been shared.

Thank you for your continued support,

The Year 3/4 Team
