## Year 4 Wild Place – Friday 28<sup>th</sup> February

Dear Parent/Carer,

Y4 will be visiting Bristol Zoo (aka Wild Place) to engage children with the natural world, develop their communication skills, and enrich their learning. We will have an opportunity to see the animals up close and be introduced to classification with a range of animal artefacts and an engaging detective hunt, exploring the features of different vertebrates. At the end of the day, children will be able to:

- Group animals according to their similarities
- Group animals which are mammals, birds, reptiles, amphibians, or fish
- Recognise some features of each class.
