Yr 5- Cycling sessions

Dear Parents and carers,

Year 5 children at Minerva have been offered the opportunity to learn to ride a bike and develop their cycling skills on the pump track in Hillfields park. All the children will be provided with helmets and bikes to use. This is part of our work within the local community and in partnership with Access sport. This wonderful opportunity is free of charge.

Children will need to wear their PE kit on this day - black joggers or leggings with a white T-shirt and school jumper. (They must be wearing long sleeves). Sandals are not permitted. They will walk to the pump track regardless of the weather so they may need a coat or sunhat. As it is a very active session, children will also need a drink and a small snack.

Starting on the 19th of September, **Hotwells** class will go every Thursday.
